The South Carolina Coastal Conservation League, Southern Alliance for Clean Energy, and Upstate Forever (collectively, “Movants”), through counsel, respectfully move the South Carolina Public Service Commission (“Commission”) for an extension of time to file proposed orders and post-hearing briefs in the above-referenced proceedings. In support of this Motion, Movants state as follows:

1. Though Counsel for Movants have requested a scoped copy of the transcript and believe that transcript may be made available before the current April 5 deadline for proposed orders and post-hearing briefs, as of the filing of this Motion the transcript has not yet been made available.
2. Due to the length of the hearing, Movants expect the transcript to be well over 1000 pages, and because of the number of issues addressed in witness testimony on the stand, even if the transcript were made available today, it would be

unfeasible to incorporate transcript references into proposed orders or post-hearing briefs.

3. Counsel for Movants believe that the Commission will benefit from proposed orders and post-hearing briefs that reflect a full and complete record of the proceeding.

Accordingly, Movants respectfully request an extension of time to file proposed orders and post-hearing briefs in the above-referenced proceedings. Movants request that the deadline be extended from April 5, 2021, to April 12, 2021, assuming a transcript is made available to Counsel by April 2, 2021. If the transcript will not be available by April 2, 2021, Movants would request a further extension of the deadline.

We have inquired with counsel for other parties as to whether they would oppose this requested extension for proposed orders and post-hearing briefs. The Office of Regulatory Staff, Dominion Energy South Carolina, Solar Energy Industries Association, and Frank Knapp indicated that they do not object to this request. Alder Energy Systems, LLC, North Carolina Sustainable Energy Association, and Vote Solar indicated their support of this request.

Respectfully submitted this 31st day of March, 2021.
